that he threw away a lot of money days ago in your paper an opinion of party went back and found eleven hundred and fifty dollars in a bundle on the question of the bonds issued by the city s, stumps, or whatever else comes in road. When the party reached the depot a crowd was gathered, and, fearing that he would be lynched, Caldwell Mr. Craft, or you, Mr. Editor, to settle said that it was a man named Black the question as to the constitutionality that did the killing but that he did the that did the killing but that he did the robusing, and sunk up to the windows in mud. A gallant gentleman passenger suggested the propriety of getting a dug-out from the river in which the rescue the lady passengers. A more gallant person offered to carry them on his manly shoulders.

There were two little arrests on the police docket last night. Johnny Control of the action of the act incorporating the city schools and money that the crowd would have done at the depot before the train started off toward Hernando had Conductor Chillings for gardening pursons, with such powers of defining to the city bonds and money to spend at will. I would also like to know whether the city school corporation is, technically speaking, a private corporation, by what authority his train "out of there" just as quickly as if no extraordinary excitement by three men, who attacked him without cause. One of them was arwere loss and traces whith a trace with the states of the states of the states with the fact of the state of the sta
